

TOWN OF SPRINGFIELD
TRANSFER STATION ORDINANCE
Town Ordinance # 11-02

This ordinance is effective November 29, 2011 and remains in effect until revised or cancelled. All previous Springfield ordinances applicable to Transfer Station permits are cancelled. Violation of this ordinance will result in suspension of use of the Sunapee Transfer Station.

The Town of Springfield pays a fee to Sunapee for use of the latter's transfer station. Except as noted below, the effective version of the "Town of Sunapee Ordinance – Sunapee Transfer/Recycling Station" is the authoritative regulation regarding use of the facility. That document is available at the Sunapee Town Office or on the web at <http://www.town.sunapee.nh.us>. For Springfield users, this ordinance supersedes the Sunapee ordinance regarding eligibility to use the facility and issuance of hang tags, decals and temporary passes.

The Springfield Town Clerk's office may require proof of eligibility to use the facility such as a tax voucher, rental agreement or a property owner's authorization for a contractor. When using the Sunapee Transfer Station, Springfield users must clearly display a hang tag, decal or temporary pass. These will be issued by the Springfield Town Clerk's office only to persons eligible as follows:

- Springfield property owners, long-term residents and town owned vehicles will be issued a hang tag. One hang tag will be issued per vehicle. The issuing official will record the vehicle license plate number on the hang tag. Alteration of the hang tag or use of the tag with any other vehicle is prohibited. There is no fee for hang tag permits except in the case of a replacement. The cost of a replacement tag is \$25.00. If a property owner/resident's vehicle is not available because it is being serviced or repaired, a temporary pass may be issued.
- Bona fide guests of property owners or short-term renters will be issued a guest pass with a decal affixed to it. Each household will be issued one guest pass. The issuing official will complete the form and attach the decal. This must be presented to Transfer Station personnel.
- Contractors performing work for a Springfield property owner will be issued a temporary pass. The temporary pass will have no decal or hang tag. The property owner must give authorization by telephone or in writing, including expiration date, to the Town Clerk's office prior to issuance of the temporary pass. The pass will be valid only for work for the individual who authorized it. Temporary passes will not exceed two months in duration.

Under extraordinary circumstances, exceptions may be granted by the Town Clerk's office.
