

The Ausbon Sargent Land Preservation Trust

**invites you to join us on a fall hike
on the 475-acre Woods Without Gile property in Springfield.
Saturday, October 1st beginning at 10 a.m.**

Hike leaders for this 2-hour walk include property owners, Marc and Ann Davis along with Tim Wallace, N.H. licensed forester who works with the Davises, Matt Tarr, UNH Cooperative Extension Associate Professor/specialist wildlife, Dode Gladders, UNH Cooperative Extension Forester for Sullivan County, and Andy Deegan land protection specialist for Ausbon Sargent.

This easy to moderate hike is roughly two miles over undulating terrain with one significant hill.

Participants will see the results of active timber management, evidence of wildlife, including beaver activity, old cellar holes and stunning views with a hint of early fall color.

If you plan to attend, please contact Kristy Heath at 526-6555 or email kheath@ausbonsargent.org and visit our website calendar www.ausbonsargent.org for specific hike information and driving directions.
