

**Town of Springfield  
Cemetery Regulations**

1. No alcoholic beverages are allowed on premises.
2. Please refrain from using breakable containers for flowers on the grave sites. Cemetery personnel are not responsible for any broken items.
3. No shrubs, bushes, or trees are to be planted on individual lots. Any existing shrubs, bushes, or trees that are intruding onto another lot will be removed.
4. All artificial flowers, wreaths, and containers will be removed by April 30 and November 1.
5. Winter sledding is not permitted on premises.
6. Lots are to be sold only to residents and taxpayers.
7. Corner markers are mandatory and must be flush with the ground.
8. All markers and stones, except the main monument, must be flush with the ground.
9. Lots in the new addition of the Pleasant View Cemetery are in a grid and are sold individually. They are sold as single lots.
10. While the town will exercise all possible care to protect the memorial or ornaments on such memorial or other structures, it disclaims responsibility for any damage thereto.

Recommended and approved by the Cemetery Trustees.
