Site Visit – Kenneth Meier  
200 Oak Hill Rd

Zoning Members present: Rob Thorp, Luke Gorman, Cody Patten and Steve Dzubak

Also present: Mr. & Mrs. Szmt

5:30 pm Steve reviewed the reason for the site visit for those present. Ken Meier pointed out the proposed location of the garage and the requested 9' of relief being asked for. Steve summarized that a Variance is what is being asked for due to the lot being a conforming lot of more than 1.5 acres. Hardship needs to be displayed if the structure is placed in any other location.

Respectfully submitted,
