Town Lots:

Cynthia Bruss reported that there has been vehicular traffic up at the McDonald Fogg lot, most of it appears to originate from Wilmot. One of the signs identifying the property as a town lot has been removed.

Marla Binzel provided an update on progress of the Working Group that is gathering information for the development of management plans for the town lots. It was suggested that Dode Gladders (Sullivan County Extension Forester) might be able to provide some examples of management plans that we could use to model ours after. This was followed by a discussion of some of the previous timber sales on the Brooks and Kinsley lots.

Outreach:

- Maria Colby's (Wings of the Dawn) wildlife rehabilitation presentation at Old Home Day is scheduled for 2-3 p.m.

Goals:

- Cynthia Bruss suggested that we added the goal of cleaning up Collins Park this year. Cynthia, Daphne and Marla agreed to work together to accomplish this.

- It was also agreed that an additional goal should be to work on developing a trail in the Kinsley lot.
