

Hi All:

Making sure you are aware of the new NH crop loss relief program now available to farms that suffered crop losses in 2023 due to weather conditions. Please let me know if you have questions or need help with the process.

### **\$8 Million Crop Loss Relief Program Now Available**

The NH Governor and Executive Council recently approved \$8 million in financial assistance to NH farms that experienced losses due to weather events in 2023. The program will be administered by the NH Dept of Agriculture, Markets & Food. If you experienced a 30% or more yield loss in 2023 due to weather (freezing, excessive rain, etc.), you may be eligible to apply for financial compensation. Deadline to apply for the program is **May 15, 2024**.

Read the program eligibility information here: <https://www.agriculture.nh.gov/publications-forms/documents/eligibility-and-instructions.pdf>

Go here for further program information including application form and support documents information: [Welcome | NH Department of Agriculture, Markets and Food](#) Scroll halfway down the home page to the **NHDAMF Crop Loss Program** section.
