TOWN WARRANT – 2010
TOWN OF SPRINGFIELD, NEW HAMPSHIRE
TOWN MEETING
TUESDAY, MARCH 9, 2010 11 A.M. TO 7 P.M.
SATURDAY MARCH 13, 2010 9:30 A.M.

Article 1

To choose all necessary Town Officials for the year ensuing.

NOTE: By law, the meeting must open before voting starts. Therefore, the meeting and polls will open at 11 o'clock on Tuesday, March 9, 2010 for the consideration of Article 1 through 9. At 12 noon the meeting will recess, but the polls will remain open until 7:00 p.m. The meeting will reconvene at the Town Hall on Saturday, March 13, 2010, at 9:30 a.m. to act on Articles 10 through 18.

Article 2

To see if the Town will vote to amend Section 3.13 of the Zoning Ordinance to update the natural factors multiplier table to match NH Department of Environmental Services information, simplify the lot size calculation, and provide examples of the calculations.

The Planning Board recommends this amendment to the Zoning Ordinance.

Yes or No – Paper Ballot – Majority Vote

Article 3

To see if the Town will vote to amend Section 6.10 of the Zoning Ordinance to specify lighting requirements as provided by the NH Office of Energy of Planning.

The Planning Board recommends this amendment to the Zoning Ordinance.

Yes or No – Paper Ballot – Majority Vote

Article 4

To see if the Town will vote to amend Section 6.10 of the Zoning Ordinance to specify noise limits as provided by the World Health Organization.

The Planning Board recommends this amendment to the Zoning Ordinance.

Yes or No – Paper Ballot – Majority Vote

Article 5

To see if the Town will vote to amend the Zoning Ordinance by providing a section for driveway requirements to match the existing Subdivision Regulations for grade of driveway entrance, limit slope of driveway to 10%, and provide pull-off areas for emergency vehicles every 1,000’.

The Planning Board recommends this amendment to the Zoning Ordinance.

Yes or No – Paper Ballot – Majority Vote

Article 6

To see if the Town will vote to amend Section 7.10 of the Zoning Ordinance by adding “permanent streams” to the building setback requirements and changing the specific set back of septic systems to reference current New Hampshire laws.

The Planning Board recommends this amendment to the Zoning Ordinance.

Yes or No – Paper Ballot – Majority Vote

Article 7

To see if the Town will vote to amend Article VIII of the Zoning Ordinance to define nonconforming structures and uses as those that existed legally prior to the adoption of the provision in the Zoning Ordinance which now prohibits it rather than when the ordinance was originally adopted.

The Planning Board recommends this amendment to the Zoning Ordinance.

Yes or No – Paper Ballot – Majority Vote

Article 8

To see if the Town will vote to amend Article XI of the Zoning Ordinance to make reference to State laws providing equitable waivers, waiver to accommodate disability, waiver for existing agricultural use, development of regional impact and to update the requirements for a variance based upon recent changes in State law.

The Planning Board recommends this amendment to the Zoning Ordinance.

Yes or No – Paper Ballot – Majority Vote

Article 9

To see if the Town will vote to amend Article XIII of the Zoning Ordinance to add definitions for “Abandoned,” “Driveway,” “Interest Holder,” “Lot Size Averaging,” “Luminaire,” and “Stream, Permanent.” The term “interest holder” will be used for hearing notification purposes throughout the ordinance.

The Planning Board recommends this amendment to the Zoning Ordinance.

Yes or No – Paper Ballot – Majority Vote

Article 10

To see if the municipality will vote to raise and appropriate the sum of \$195,000 for site work and drainage improvements at the Highway & Fire building, and to authorize the issuance of not more than \$195,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon; furthermore, to raise and appropriate the sum of \$13,900 for the first year’s interest and payment on the bond or note. This will be a non-lapsing appropriation per RSA 32:7, VI, and will not lapse until the work is completed or by December 31, 2015.

The Selectmen and Budget Committee recommend this appropriation.

Yes or No - Paper Ballot 2/3 vote required

Article 11

To see if the Town will vote to establish an Old Home Day Expendable Trust Fund in accordance with RSA 31:19-a and to raise and appropriate \$1,900 to be placed in said fund, with said funds to come from unreserved fund balance (this represents Old Home Day proceeds collected in 2009), and further to name the Selectmen as agents to expend from said fund.

The Selectmen and Budget Committee recommend this Warrant Article

Yes or No – Majority Vote

Article 12

Are you in favor of discontinuing all of the following Class VI roads and approximately 50 feet of a Class V road under RSA 231:43 upon the conditions set out in this warrant?

ROADS TO BE DISCONTINUED

Portions of the following roads shall be discontinued by the Town of Springfield, New Hampshire on the conditions that follow in this warrant:

1. That portion of Stryker Road designated as a Class VI road, which begins at its intersection with the southwest corner of the Asa Chase Farm Cemetery and ends at the intersection of Stryker Road with Star Lake Road, which is also known as “Robie Corner”; and
2. That portion of Star Lake Road beginning at the intersection with Georges Mills Road, then continuing north and ending at the intersection with Nichols Hill Road. Approximately 50 feet of this area is classified as a Class V road and contains a bridge over Star Lake Brook; and
3. That portion of Nichols Hill Road beginning at the intersection with Star Lake Road, then continuing north and ending at the intersection with Deer Hill Road; and

4. That portion of Jones Road (also known as “McAlvin Road”) beginning at its intersection with Nichols Hill Road (also known as “McAlvin Corner”), then continuing easterly to a point approximately 2850 feet to the westerly side of the brook crossing under Jones Road, which portion is intended to exclude the bridge over such brook; and
5. That portion of No. 3 School House Road (also known as School House Road and Schmidt Road) beginning at the intersection of Star Lake Road at Robie Corner, so-called, then continuing westerly and ending at the intersection with Deer Hill Road.

CONDITIONS

The above-described roads, or portions of such roads, shall be discontinued under RSA 231:43 by the Town upon the satisfaction of the following conditions:

- a. Road Access by Public. Star Lake Properties, Inc., Daniel K. Thorne, Scott S. Seekamp, Nancy Jane Seekamp and Cynthia W. Hayes, Trustee of the Cynthia W. Hayes Trust shall encumber their respective properties with covenants and restrictions which, among other things, permit the public to use the above-described discontinued roads for:
 - (1) Transitory, low-impact, non-motorized, non-commercial, outdoor recreational purposes, including without limitation, hiking, wildlife observation, snowshoeing, cross country skiing, mountain biking, horseback riding and other similar outdoor recreational purposes; and
 - (2) Snowmobile trail riding and trail maintenance during the months of the year when weather and ground conditions reasonably permit such activity, in the instance of McAlvin Road, No. 3 School House Road and Nichols Hill Road.

- (3) The parties granting such covenants shall have the right to post and prevent entry of all other types of motorized vehicles on to the discontinued roads. The parties granting such covenants may employ motorized vehicles on the discontinued roads to conduct activities consistent with ownership of their respective properties, including without limitation, access to residences existing or permitted by the Town of Springfield adjacent to the discontinued roads, as well as for agriculture, forestry, water management and recreation.
- (4) The Town authorizes the Selectboard to sign and acknowledge the covenants described above, on such terms and conditions consistent with the terms of this Warrant Article.

- b. Conservation Easement. Star Lake Properties, Inc. shall place approximately 1558 acres of its land located on, near and about the roads to be discontinued under a conservation easement approved and managed by the Ausbon Sargent Land Preservation Trust, provided that this warrant article passes.

Copies of both the covenants governing the use of the discontinued roads and the conservation easement are on file with the office of the Selectboard.

EFFECTIVE DATE

The effective date of the road discontinuance shall be the latter of the dates on which the covenants for the maintenance and use of the discontinued roads and a certain conservation easement, described above, are recorded in the Sullivan County Registry of Deeds.

Yes or No – Majority Vote

Article 13

To see if the town will vote to establish, pursuant to RSA 72, exemptions from property taxation for solar (72:62) and wind (72:66) energy generation systems. The exemption will be 100% of the value of accessory use generation systems up to a maximum of \$50,000 in taxable value. Criteria for granting the exemption shall be that the installed system must generate energy for the owner's primary residence or place of business located on the site. The system, however, may transfer surplus energy to the established electrical grid. Commercial solar and wind generating facilities that represent the primary use of a property shall not be eligible for this exemption.

The Selectmen and Budget Committee recommend this Warrant Article

Yes or No – Majority Vote

Article 14

To see if the Town will vote to amend the revolving fund created in 2006 and amended in 2009, pursuant to 31:95-h, for the purpose of police special details. All revenues received for police special details will be deposited into the fund, and the money in the fund shall be allowed to accumulate from year to year, and shall not be considered part of the town's general fund unreserved fund balance. The town treasurer shall have custody of all moneys in the fund, and shall pay out the same only upon order of the governing body and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which the fund was created.

The Selectmen and Budget Committee Recommend this Warrant Article

Yes or No – Majority Vote

Article 15

To see if the Town will vote to raise and appropriate \$1.00 (One Dollar) to be placed in the Town Building Repairs Capital Reserve Fund established in 1995.

The Selectmen Recommend this Warrant Article. The Budget Committee does not Recommend this Warrant Article

Yes or No – Majority Vote

Article 16

To see if the Town will vote to raise and appropriate \$1.00 (One Dollar) to be placed in the Revaluation Capital Reserve Fund established in 1995.

The Selectmen Recommend this Warrant Article. The Budget Committee does not Recommend this Warrant Article.

Yes or No – Majority Vote

Article 17

To see if the Town will vote to raise and appropriate the Budget Committee recommended sum of \$1,214,214.00 or as amended, for general municipal operations of the Town. (The Selectmen recommend 1,220,714.00.) This article does not include special or individual articles addressed.

Yes or No – Majority Vote

Article 18

To hear the reports of the agents, auditors, and committees heretofore chosen, to pass any vote relating thereto, and to transact any other business that may legally come before said meeting.

Yes or No – Majority Vote

Given under our hands and seal this Ninth day of March, in the Year
of Our Lord, Two Thousand and Ten.

John J. Chiarella, Chairman

Donald W. Hill II, Vice-Chairman

David E. Tucker
Springfield Board of Selectmen

****SPECIAL WARRANT ARTICLES****

Special warrant articles are defined in RSA 32:3-VI, as appropriations: 1) in petitioned warrant articles; 2) appropriations raised by bonds or notes; 3) appropriations to a separate fund created pursuant to law, such as capital reserve funds or trusts funds; or 4) an appropriation designated on the warrant as a special article or as a nonlapsing or nontransferable article.

Please attach a copy of this completed supplemental schedule to the back of the budget form.

SELECTMAN'S REPORT

My family moved to Springfield in 1977, and if anyone had prophesized that 34 years later I would be living here on Nichols Hill with my wife Maureen, our daughter Sonya, who is about to graduate from Kearsarge Regional High School, and that I would be a selectman; I don't think anyone would have believed it. Real life can be better than fiction. Somewhere along the line I decided that Springfield was home, and that of all the places that we could have chosen to live this was the best place for us.

We are all fortunate to live in such a wonderful town that manages to retain its rural character, and where small town values such as neighborliness, volunteerism, and cooperation are still the norm. I have appreciated the chance to be your selectman, and to work for the town, representing its interests for the past 3 years. Being a selectman has given me an opportunity to try and give back to the community, and the chance to learn so much more about Springfield than I would have ever learned in any other way.

The greatest asset of this town is its people. The residents who make up the community are good and hard working people. The staff, employees, elected officials, and volunteers who are involved in the town's government are dedicated to the town's well being. They work hard to keep the town a good place to live that is safe and enjoyable for us all. With so many factors that are beyond the control of the town from natural disasters like the flood of 3 years ago, and the ice storm just over a year ago, all of the state and federal requirements that grow each year, and our commitments to the ever expanding county government and Kearsarge Regional School District, it is a wonder that our little town can keep up. We struggle to keep taxes low, make sure that we comply with regulations, and to have our voices heard when change at other levels of government are causing us un-do hardship. It is often a thankless job to work for the town, or volunteer, so this is my chance to say thank you to everyone who does so much for us all.

This year we have addressed several nagging problems: We have a new town schools committee that will monitor our involvement in the district, and who will help us take steps to ensure a better education for our children. We have made adjustments to the financial

assessment policies of the town, which will in the long run make our accounting more transparent. Some slight renovations have been made to the town offices that make it more energy efficient and the working space a little cooler in the summer. We have put our plumbing and heating changes at the town hall to use by closing the building from December through town meeting day, which will save the town several thousand dollars each year. There are new furnaces in the fire station and the highway garage. The 2 most public examples of town happenings are the very successful first Old Home Day for which we thank all involved, and the fight to keep our kindergarten, which we hope we have resolved for the time being.

Thank you for your support of our town, and I hope that in some way you will consider helping with one of our committees, or events, because the people are what makes this town.

Respectfully Submitted,
John Chiarella, Chairman

193 North Main Street • Concord • New Hampshire • 03301-5063 • 603-225-6996 • FAX-224-1380

INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen
Town of Springfield
Springfield, New Hampshire

We have audited the accompanying financial statements of the Town of Springfield as of and for the fiscal year ended December 31, 2008 as shown on pages two through six. These financial statements are the responsibility of the Town of Springfield's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

Management has not implemented Governmental Accounting Standards Board (GASB) Statement No. 34, *Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments*. Therefore these financial statements are presented following the principles that were in effect prior to GASB Statement No. 34. Management has not presented government-wide financial statements to display the financial position and changes in financial position of its governmental activities and business-type activities. The financial statements presented do not contain separate statements for governmental and fiduciary fund types, nor are major and nonmajor funds separately identified and classified. The financial statements presented report expendable and nonexpendable trust funds, some of which should be reported as special revenue and permanent funds under the new reporting model. The financial statements also present a general long-term debt account group which should not be reported as such, but the information contained therein should be included in the government-wide financial statements were they presented. Also, the financial statements do not contain any information on capital assets because the government has not maintained historical cost records of such assets. Management has not presented a management's discussion and analysis as required. The amounts that would be reported in the missing statements and required supplementary information, and the effects of reclassifying and properly reporting the information presented are not reasonably determined.

In our opinion, because of the effects of the matters discussed in the preceding paragraph, the financial statements referred to above do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Town of Springfield as of December 31, 2008, or the changes in its financial position or its cash flows, where applicable, for the year then ended.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Springfield's basic financial statements. The combining and individual fund schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. For reasons stated in the third paragraph of this report, we expressed an opinion that the financial statements of the Town of Springfield do not fairly present financial position, results of operations, and cash flows in conformity with accounting principles generally accepted in the United States of America. Therefore, we do not express an opinion on the accompanying combining and individual fund schedules.

THE AUSBON SARGENT LAND PRESERVATION TRUST

For more than 20 years, the Ausbon Sargent Land Preservation Trust (Ausbon Sargent) has been a leader in the conservation of our natural resources in the Mount Kearsarge/Lake Sunapee Region. The mission of this non-profit, citizen-based group is to protect the region's rural landscape. Since its founding in 1987, Ausbon Sargent has completed 105 projects and protected 6,425 acres. All of these conservation lands must provide for some public benefit and two thirds of these properties offer public access.

Twice a year, Ausbon Sargent's Outreach Committee sponsors a roundtable discussion for the chairmen of Conservation Commissions in the land trust's 12-town region, which includes Springfield. In November, the Committee sponsored "How to Make Your Town Farm Friendly," a workshop for the decision makers on town boards and commissions in the Mount Kearsarge/Lake Sunapee Region. The workshop allowed participants to examine how they could ensure that their towns were "farm friendly" through zoning, planning and conservation. Springfield was represented at all three of these events.

A new feature on the Ausbon Sargent website indicates which of the land trust's protected properties have trails open to the public. These trails, many of which cross privately owned land, are open to hiking, cross-country skiing and snowshoeing. The web site includes trail maps and driving directions.

In 2009, Ausbon Sargent received accreditation from the Land Trust Accreditation Commission, an independent program of the Land Trust Alliance. Ausbon Sargent and the Monadnock Conservancy are the only land trusts in New Hampshire to earn accreditation. Since 2008, fewer than 5 percent of land trusts in the United States have achieved this distinction.

Land conservation is a partnership that often involves not only the landowner and Ausbon Sargent, but also other conservation organizations and local conservation commissions. In Springfield, nearly 1,762 acres are protected by conservation easements through land trusts. These parcels are privately owned and their owners continue to pay property taxes on their land. Springfield has many "special places" that contribute to making our town a place you are

proud to call home. If you would like to participate in protecting these places, your options include: become a conservation easement donor, support Ausbon Sargent financially, volunteer your time to the organization, and encourage our town officials to protect Springfield's rural character by supporting land conservation. If you are interested in learning more about Ausbon Sargent's land projects and events, you may visit www.ausbonsargent.org, or stop by the organization's office at 71 Pleasant Street, New London.

Sincerely,
Cynthia Hayes
Springfield ASLPT Outreach Representative

BAPTIST POND PROTECTIVE ASSOCIATION

The Baptist Pond Protective Association works to promote healthy lake practices that protect the pond, its flora and fauna, and the surrounding watershed. To that end members of the Association, with the support of the NH Volunteer Lake Assessment Program (VLAP) in Concord take regular water samples from early summer to fall.

As of fall 2009 we have completed seven years of testing on the pond. The tests indicate that over these years the lake is fairly stable but vulnerable given the small size of the pond and the pressures from human and natural forces. We continue to find very high levels of conductivity: above 200 at the Stoney Brook inlet; and above 100 inlake and at the McAlvin inlet. Road salts during spring run-off and the amount of rainfall carrying these and other chemicals throughout the year affect these levels. Our total phosphorous levels show a slight and steady rise over the last seven years, with levels fluctuating at different testing sites over the summer months, with a low of 8.5 at one of the inlets and as much at 33 and 65 at other sites. The chlorophyll-a level has been above the state median, but since monitoring began in 2003, it has gradually decreased, which is good news.

In July 2009 we conducted a plant survey of the Pond. An intern from DES mapped the current plant growth and helped us identify the healthy and diverse groups of aquatic flora that we find above and below the surface: emergent plants like burreed, pipewort, water lobelia, pickerelweed, swamp candle; floating leaved plants like water lilies, pondweed, and watershield; and various submersed plants. Purple loosestrife, the only non-native plant, grows in heavy clumps at the Stoney Brook inlet and is scattered around the shoreline. Every July we clip and bag its tips. Lake residents enjoy good fishing, good swimming and boating, and the company of a heron and pair of loons who regularly feed in the coves and shallows of the pond.

Members of the Association continue to participate in local groups, including the Lake Sunapee Watershed Coalition, and keep abreast of local and state developments affecting the health of the lake.

We will hold our annual meeting this year on the last Saturday in July—at the Ruel's beach on Stoney Brook Road. Please join us! For

further information please contact myself or one of our other officers:
Cynthia Hayes, Paul Biebel, or Dave Harriet.

Respectively submitted on behalf of the Association,
Perry Hodges, President

COA CHAPIN SENIOR CENTER

The Kearsarge Area Council on Aging, Inc (Chapin Senior Center) was founded by two women who fourteen years ago saw a need in the area for services for the elderly and went to work to supply them. Over the years, these services have grown to include such things as socialization, recreation, education, transportation, nutrition, health, safety, counseling, and the feeling of being needed by doing volunteer work. Its purpose was and is to serve the needs and interests of people aged 55 years and older residing in the towns of Andover, Danbury, Grantham, New London, Newbury, Springfield, Sunapee, Sutton, and Wilmot.

Carrying out all of these services and maintaining the building in which many of them take place, naturally costs money. COA has a full-time Executive Director and a part-time Administrative Assistant. Otherwise, all programs are carried out by volunteers at no charge to the participants. Every program or service delivered to the seniors in the area is made possible through a huge volunteer effort of over 200 people. Because of this COA is able to maintain a very bare bones budget and from its inception COA has been a burgeoning success with a continued increase in membership, programs, and activities thanks to all the volunteers who give so much. COA counts on contributions from the towns it represents, area businesses and local people themselves, and various fund-raising activities to meet its budget each year.

It is COA's belief that it is the personal approach used that makes it a success. Seniors find a personal concern at COA that is not evident in many other places. COA is what its motto says: "People Helping People." In the year 2008 for instance, COA drivers using their own cars and gasoline covered over 47,000 miles taking people door-to-door to medical appointments, shopping etc.

It is COA's expertise in volunteer coordination that allows such a vast and varied amount of services to be offered, and its excellent stewardship of the money received from noted sources each year that make COA that vital grass roots organization that it is.

CONSERVATION COMMISSION

Your Conservation Commission has as its mission to protect and promote the proper utilization of our natural resources and watershed.

The Commission worked with the UNH Cooperative Extension, the Ausbon Sargent Land Preservation Trust and the Sullivan County Forester for several months to identify areas of more important wildlife habitat and wetlands. The NH Fish and Game Wildlife Action Plan was quite useful and has helped us to prioritize which areas of our town should be conserved for future generations. However, conservation issues and concerns do not stop at the town line and we are working with the Grantham Conservation Commission concerning the need to protect the Bog Brook area.

The Commission thanks the Town Meeting for its support of the warrant article allowing the Commission to assist land trusts (such as Ausbon Sargent) in the protection of special lands in our town. Although we did not use this tool in 2009 we appreciate that it is available.

Green Up Day in May saw 34 individuals and families turn out to clean up 26 miles of roads in our town. As in past years a large number of bags full of bottles, cans and assorted trash were hauled away by Road Agent Brad Butcher and his assistant Gene Call. Thanks to all that participated to help keep our town the beautiful place that it is.

The Commission has continued the ecological assessments of town-owned lands. This year we explored the Brook Lot on Shad Hill. At an estimated 51 acres it is a fine example of a nineteenth century hillside subsistence farm. Additional visits are planned and recommendations for this property should be forthcoming. The merits of putting conservation easements on select town lands (such as the Brook Lot) continues to be debated and we thank Betsy Forsham of the Sutton Conservation Commission for her time and willingness to share information with us.

The Commission participated in Old Home Day both at the Meeting House and the ball field. Many residents stopped to learn about our

activities, identify various animal skins and bones, and participate in our raffle for seedlings.

Education is the most effective method to heighten awareness of the need for conservation. The Commission sponsored a seminar on land conservation which featured representatives from Ausbon Sargent Land Preservation Trust, the Society for the Protection of NH Forests and a panel of conservation easement donors. We hope to make this an annual event. We also participated in a regional symposium on land conservation sponsored by the Eastman Charitable Foundation.

Each month Commission members joined the Springfield Kindergarten in various conservation-oriented activities, both inside and outside of the classroom. One wonders what will grow from the seeds planted here!

Your Conservation Commission meets on the first Thursday of each month at 7:00 pm. All are invited to attend, volunteer and help to keep Springfield the beautiful community that it is.

Respectfully submitted by your Commissioners: Cynthia Bruss; Ken Jacques; Daphne Klein; Todd Richardson; Bob Ruel; Jane Seekamp; John Trachy

EMERGENCY MANAGEMENT

The Town of Springfield applied for and received a FEMA disaster recovery grant. This grant allowed Springfield to recover \$19,050 of the direct cost expended by the Town in response and recovery from the 2008 ice storm.

Debris cleanup resulting from the 2008 ice storm continued through spring 2009 as snow melt exposed material.

The Town of Springfield has commenced a review and update of the Local Emergency Operations Plan. The Town applied for an Emergency Management Performance Grant to cost share the expenses incurred in this process. The grant has received approval by the New Hampshire Department of Homeland Security and Emergency Management. The application is scheduled to go before Governor Lynch and Executive Council for final approval at their February 2010 meeting.

The first step in any disaster response is for each business, family or individual to have a response plan. Know how you will respond to potential disasters, either natural or human. How will you respond in case of a fire in your home or business? Do you have home or business emergency evacuation plans? How many days food supply will you need to get through a disaster? Do you have special medical needs? Are the Town's emergency response personnel, EMT's, Fire Department or Police aware of these special needs?

Resources for family, business and individual disaster planning are available through the New Hampshire Department of Homeland Security and Emergency Management and/or your local Emergency Management Director. You can access online resources at <http://www.nh.gov/safety/divisions/hsem/Planning/planningindiv.html>

Respectfully Submitted,
Keith Cutting
Emergency Management Director

SPRINGFIELD FIRE & RESCUE DEPARTMENT 2009 REPORT

This past year the Fire & Rescue Department responded to 155 combined calls, up from 128 calls in 2008. Each year we are seeing an increase in calls. With this, we ask more and more of our volunteers and at certain times spread ourselves thin. The department welcomes all residents that may be interested in volunteering their time. If you think you would like to find out more about becoming active in your Fire and/or Rescue Department, we are at the Fire Station every Tuesday evening at 7:00 p.m. or give us a call at 763-4033 (non-emergency number).

The department was very involved with OLD HOME DAY this year, assisting with various tasks and events to hold, what I feel, was an awesome function within the community. We are looking forward to the 2010 event. A job well done by all who participated!

A safety tip from your local Fire and Rescue Personnel!

If you should happen to come upon utility wires down in the road way or other areas, you should always consider them energized lines, stay well away from them and alert proper authorities of their location by calling **911**.

I want to thank our current members, residents, town agencies and surrounding town mutual aid communities for their continued efforts and support.

Respectfully Submitted,
Dallas Patten, Fire Chief

REPORT OF FOREST FIRE WARDEN & STATE FOREST RANGER

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfl.org.

Spring fire season was unusually short this past year, with wet weather beginning the third week in April and lasting virtually all summer long. Consequently both the number of fires and the number of acres burned were below the last five year average. Due to state budget constraints, the staffing of our statewide system of 16 fire lookout towers was limited to class III or higher fire danger days. Despite the reduction in the number of days staffed, our fire lookout towers are credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. The towers fire spotting capability was supplemented this year by contracted aircraft and the Civil Air Patrol when fire danger was especially high. Surprisingly the largest single fire this year occurred in late November during an unusual dry spell, in the northern Coos County town of Clarksville. This fire burned 17.1 acres and is presumed to have been caused by a careless hunter. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2009 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

2009 FIRE STATISTICS

(All fires reported as of December 3, 2009)

(figures do not include fires under the jurisdiction of the White Mountain National Forest)

ONLY YOU CAN PREVENT WILDLAND FIRE

HIGHWAY DEPARTMENT

Although the Highway Department had no major projects planned for 2009, we managed to stay busy all year working on equipment and roads.

A used 2001 International 4900 truck was purchased this year, replacing the 1987 International 1900. The truck is working out well.

Shad Hill and Stoney Brook Roads received several loads of shim this year. More is needed, but what has been done helped keep water from staying in the road, and definitely has made plowing snow easier.

Under-drainage was put in on Oak Hill West to eliminate a water problem. Another problem was taken care of by cutting brush and low over-hanging limbs on Messer Hill Road, to prevent town equipment from being hit.

Some of the other jobs done this year were the ditching and reshaping of the dirt part of Nichols Hill Road, ditching on Old Grafton Road and Deep Snow Drive, and replacement of a few old culverts.

Much was accomplished on the roads, cemeteries, town buildings and recreational areas in 2009. Many thanks go out to everyone for all their help in getting all this done.

Respectfully Submitted,
Bradly Butcher, Road Agent

SPRINGFIELD HISTORICAL SOCIETY 25TH ANNIVERSARY YEAR 2009

A debt of gratitude goes to a small group of Springfield residents who got together in 1983 to make plans for a Springfield Historical Society which became incorporated a year later on March 9, 1984. Some of the “founding mothers and fathers” were Robert Moore, Dan Dailey, Andy D’Amico, Muriel and Wes Tinkham, Alice and Bob Nulsen, Celeste Klein, and Dot and Dick Eldeen. We have continued to build and grow on the foundation that these people set. One can go to our website www.historicspringfieldnh.org and browse through such items as our constitution and by-laws, our goals, and cemetery work that has been completed with more to do, and many other topics.

To save heating fuel, the January 2009 meeting was held at the Libbie A. Cass Library Conference Room. Gary Robinson gave a full hour of beautiful classical guitar music, playing to a packed house.

The society had a successful audit by Gene Venable, Laila Jonsson, and Leigh Callaway.

The April meeting found the society back at the town hall where Glenn Knobock, sponsored by the NH Humanities Council, discussed gravestones and the influences of religious movements and other events on cemeteries.

Trudy Heath, Donna Denniston, and Julie Slack organized the Scholarship Program once again. The recipients were Ronald Hill, Timothy Rollins, Darcie Donnelly, Jared LaBelle, Gabriel Lyon, Jeanne Akpan, Kristen Patten, Timothy Patten, Ursula Sahagian Mills, and Allyssa LaCaillade.

The Springfield Historical Society celebrated the 25th Anniversary, July 9th with a beautiful folk music performance by singers and musicians Susie Burke and David Surette. It was a fine evening with a cake to celebrate afterward at the museum next door. The celebration continued at the museum the next day as part of Old

Home Day with visitors, cake and punch. They could see the improvements made such as the memorial and scholarship plaques, the new fence around the west lawn and a newly painted flag pole. Also restored to its original condition by the historical society was the World War I Memorial located at the town hall. Davey Tree Service removed the overgrown hedge, and Brandt Denniston with the help of Timothy Patten, Jared LaBelle, his grandfather, Richard Shores, and Ben Keyser got the fence up and painted the flagpole.

Elected to office at the annual July meeting, 2009 were Patricia Heath Caswell, President, Donna Denniston, Vice-President, Brandt Denniston, Treasurer, and Laila Jonsson, Secretary. Board members, Janet Booker, Kathie Richardson, and Cynthia Bruss. Curator, Julie Slack.

Curator Julie Slack has been busy recording and organizing material that the society has received. Ed Belfield has transported our material back and forth with the season between the museum and the NH Room at the library. He also keeps a host or hostess on duty each Saturday during July and August and often does the duty himself.

In June, the Center School/Memorial School class of 1955 was the first to gather at the museum. This was a well organized reunion by Mildred Beals Bowie.

The October meeting program organized by Donna Denniston was "The Story of the Salem Witches." Presented by Dr. Robin De Rosa. It was sponsored with a grant by the NH Humanities Council. The October meeting was enhanced by a new projector and screen purchased by treasurer, Brand Denniston. This will improve the presentations.

Guy Wheeler has donated the World War I medals of his uncle, Harlan Wheeler. They are greatly appreciated and hopefully from this gesture we can develop an interesting oral history program with Springfield people. Guy is a life member of the society. He was interviewed by Trudy Heath.

We have also been able to help several families from far away with locating their Springfield ancestors, and some of them have joined the society.

It has been a busy and productive year. Remember, we are YOUR organization and would like to have you as active members!

Respectfully submitted,
Patsy Heath Caswell, President

KEARSARGE SCHOOL BOARD REPORT

We opened the year by welcoming a new High School Principal, Mr. Bernard “Jim” Daley to our High School. There have been many positive changes in our high school already and we wish Jim the best.

KRSD has been approved to pilot a program we are calling, “Blizzard Bags” for emergency school closures. Teachers will prepare lessons in advance, students take them home and leave them in a “Blizzard Bag” to be pulled out and worked on during designated Blizzard Bag Days due to emergency school closures. This effort will allow these days to “count” as school days and we will not be required to make up those days at the end of the school year. Student and teacher participation on Blizzard Bag Days are critical components to the success and extension of this program.

Also, this year we have instituted a rapid alert system for emergency notifications and made all building entries secured through a monitoring system.

The reallocation of a year end fund balance and state building aid have allowed us to move forward with the development of the “Kearsarge Learning Campus” at the old middle school location. The KLC will be the new home of the SAU office, computer labs for KRES-NL, transitional services for youth, parent resources center, and a professional development and training center. In addition, the Adult Diploma and Community Education Programs will move to this location, and the Culinary Arts Program will utilize the kitchen and cafeteria to promote “real world” hospitality and restaurant programs for our students.

We will be publishing a “Balanced Scorecard” this summer that will illustrate the District’s progress toward a variety of performance measures and indicators as part of the District Strategic Plan.

The item that took the most attention of the Superintendent and School Board this past year was the budget. We continue to strive to achieve a balance of making fiscally responsible decisions for all taxpayers. There was nothing off the table this year in looking at the budget and closing the Springfield Kindergarten was considered to be an area that we could appreciate a savings. Fortunately, our Selectmen took a proactive approach and offered the district a savings in rent. It was a gesture that was very much appreciated by the Board. As a town, we continue to support our kindergarten and believe it is the best educational setting for our children to begin their journey.

As always, I welcome discussion and questions at any time.

Pam Laurie
Springfield School Board Representative
pam@nhvt.net

SPRINGFIELD KINDERGARTEN REPORT 2009

“The Early Bird Catches the Worm!”

Though this 17th century phrase tells us that success comes to those who put in full effort and are well prepared, our Springfield Kindergarten-friends took this literally in 2009!

Springfield-Kindergarten held a morning session from 8:00am to 11:00am! This wonderful class of early risers included: Noah Burgin, Shawna Charles, Jenna Corbett, Lukas Denning, Zoe Digby, Parker Gelina, Christos Georgitsis, Noah Hastings, Zachary Hodge, Jackson Moskalenko, Vera Rivard, Brier-Lynn Roberts and Rayna Tucker.

It was a year of second generation Kearsarge students, new community members, second siblings, and renewing old friendships at Springfield-Kindergarten! Daily smiles from students, parents, Librarian Steve, our town office friends, Chief Tim & Sergeant Mike and teachers brightened our classroom and hallway! Our town office friends were known as Nae-Nae (Janet Roberts), Auntie Cyn (Cynthia Anderson), Mrs. Hill (Pixie) and Mrs. Butcher (Tamara). Nae-Nae's smile was brightest of all as she welcomed her granddaughter to Springfield-K!

The families in our wonderful Springfield-K community continued to offer guidance and support throughout the school year. Volunteerism was at the forefront as parents assisted in lessons, celebrations, recess and most importantly, prepared their children to start every day with enthusiasm and a positive attitude. This was reflected as our weekly “Star Students” were celebrated in class!

The 2009-2010 school year also brought increased community collaboration. For the second year in a row, The Springfield Conservation Commission gave generously of their time and talent! Daphne Klein, Todd Richardson and Cynthia Bruss took us hiking, hunting for animal tracks, planted acorns and even taught us to build natural wood bird houses. Our monthly lessons have taught us to appreciate our environment and the world around us. Many thanks for their caring and expertise! Star Lake Farm once again offered their support to our classroom as well.

“Fire-fighter Frank” (Frank Anderson) invited another member of the Springfield Fire Department to join us this year. Jeremiah Charles, a recent graduate of Kearsarge Regional High School, conducted our Fire Safety tour of the Springfield Fire Department this year! We learned about fire safety, sat in the fire trucks and even toured the training area on the second floor this year. Many thanks to our ‘silver and gold’ friends from the Springfield Fire Department!

Did you know Springfield Police Chief, Tim Julian, is an author? We knew of his love of drawing and this year, he wrote a book for our students! It was a wonderful Halloween tale which kept our students spellbound! Librarian Steve wore his magicians hat once again as he held weekly “Story-time” with our students. One K-student aptly remarked, “Liberry-an Steve is soooooo smart.” We had to agree! Librarian Steve’s goal this year was to teach our students to put the R in LibRarian!

Springfield-K welcomed a new teacher, Mrs. Pauline Lizotte! Her kindness and dedication to teaching was evident as she brought years of experience from *The Wilmot Learning Center* and New London Elementary School. Mrs. James returned to Springfield-K with thanks and gratitude to Miss Lull for keeping good care of this wonderful Kindergarten community in the year prior! As always, KRES-NL Principal Dr. Johnson, Miss Collins, Mrs. Lull, Mrs. Theroux, Mrs. Roberts-Howell, Mrs. Scheuk and many other teachers from KRES-NL provided support to our students. KRSD Superintendent, Jerry Frew and Assistant Superintendent, Robin Steiner lent kind assistance with visits in support of our students. Thanks to all!

Most of all, THANKS AND HUGS to our incredible ‘early bird’ Kindergarten students who worked so hard this year! As always, we were supported by our families, community members and Kearsarge Regional School District staff to make Springfield-Kindergarten a truly collaborative community!

Respectfully Submitted,

Laura James
KRES-NL @Springfield-Kindergarten Teacher

LAKE SUNAPEE REGION VNA & HOSPICE

Dear Friends,

As we enter our 40th year, staff at Lake Sunapee Region VNA & Hospice (LSRVNA) remains grateful for the ongoing opportunities to provide home health, hospice, long-term care and community health services to all residents of Springfield. Our Mission remains unchanged and centers on providing these services to support the dignity and independence of all individuals and families in your community. As in previous years, the LSRVNA Board of Directors has pledged that, within its financial resources, the Agency will continue to provide Springfield residents with all its services, except for long-term private duty care, regardless of insurance coverage or any patient's ability to pay for care.

I am proud to report that, in 2009, LSRVNA employees provided Springfield residents with the following services:

- ❖ Provided over 1350 hours of nursing, therapy and in-home long term supportive care to at least 36 residents;
- ❖ Provided approximately 690 in-home nursing, therapy and social work visits to these residents;
- ❖ At least 76 residents of Springfield received preventative health maintenance and wellness and other types of care through flu and foot clinics, parent-child support groups, caregiver support groups and grief counseling; and,
- ❖ Three residents received 59 visits through our hospice program and, thanks in part to our support, were able to spend their last days at home. Their family and loved ones are eligible for bereavement support and counseling for the next year at no cost.

These statistics illustrate how deeply LSRVNA is embedded in the fabric of the Springfield community. However, it should be noted that ours is, truly, a symbiotic relationship. Here is why: Despite the obvious need for home health care in Springfield, LSRVNA would not be able to provide all these services without extra financial

support from both the Town of Springfield and some of its individual residents. This additional financial support is needed because reimbursement for home care services generally falls short of the cost of providing said services. This is an unfortunate aspect of health care today in this county. It is not a reflection on any lack of fiscal discipline at LSRVNA; we are cautious and prudent spenders. In fact, virtually any LSRVNA employee could earn a higher salary working in a hospital. The vast majority of people who work at LSRVNA do so because of a passion for home health and community; we truly love what we do.

Speaking on behalf of all Agency employees, I am grateful for your continued support and wish you all happiness and the best of health in 2010.

Sincerely,
Scott Fabry, RN
President and CEO

LIBBIE CASS LIBRARY
“The Best Public Library in Springfield NH”

More people used the library in 2009 than in any year we have records for. Whether this is due to the word getting out about the wireless high speed computer service we offer (I’ve noticed folks sitting in their cars in the parking lot logging on- although why they don’t come in and sit in one of our comfortable chairs and help themselves to a free cup of coffee or tea or cocoa is beyond me), or our greatly expanded video collection, or unabridged audio CDs, or fascinating new non-fiction, or simply due to our growing population, I can’t say.

We also gave out more scholarships than ever before. Last year’s recipients were: Jeanne Akpan, Darcie Donnelly, Ron Hill, Jared Labelle, Alyssa LaCaillade, Amanda Locke, Gabe Lyon, Tim Patten, and Tim Rollins.

We continue to expand our services. We now have two “kill-a-watt” devices which folks can check out. These handy little gadgets let you test how much electricity your various appliances use, even when they are turned off, so you can figure out how to cut down on your electric bills.

We are also purchasing a Kindle which will let you read the biggest heaviest book on a small, lightweight screen while enabling you to increase the size of the type to beyond large print. In fact, I believe there’s even a text to talk application which will turn your book into an audio book for those whose vision is even more limited.

On the other hand, because we have reached our capacity to store books, we have begun “weeding” on a much larger scale to make room for all the new books we continue to order. So if some favorite book from your childhood is no longer in our collection that might be why. Not that we’re throwing out the “classics.” We’re trying to strike a balance between saving the time honored books of generations with the new best selling works, and we’re replacing some of our older copies of the classics with brand new copies so they will continue to look fresh for years to come.

As always, we only can be open six days a week, mornings, afternoons, and three evenings because of our wonderful volunteer corps. This last year we relied on Sally Allen, Paul Austin, George Bresnahan, Happy Callaway, Diane Clapper, Kathy & Bill Coombs, Barbara & Gerry Cooper, Caye Currier, John & Sue Dargie, Trudy Heath, Pat & Dave Keay, Kris Lee, Betty McKinnon, Ann & Peter Neilsen, Bill Sullivan, and Nancy Vandewart. So if you see one of these wonderful people, you might want to thank them for their good work. You also might want to consider volunteering yourself. If you compare this list with past years' you will see that this is the smallest group of volunteers we have had in at least a decade and we're struggling to keep the library open as many hours as we do. So consider putting in two hours a month. You might find you like it.

Lastly, although our official hours are 11-12 each weekday morning, I am usually here at 8 a.m. and you are welcome to stop in anytime you see the outside light on.

Respectfully Submitted,
Steve Klein
Librarian

PLANNING BOARD

The Planning Board had a very busy year with work on a major conservation easement project, a major site plan review, eight proposed amendments to the zoning ordinance and updating both the Subdivision Regulations and the Site Plan Review Regulations. Many months we met twice and some of the meetings went late into the evening. The work of the Planning Board has benefited again this year by help from Vickie Davis, a planner from the Upper Valley Lake Sunapee Regional Planning Commission. She has provided expertise and direction when we have needed both.

There were two items that took up the bulk of the Planning Board's time this past year. The first was working with Star Lake Farm in developing a conservation easement that will impact the town in perpetuity. Representatives of Star Lake Farm have attended almost every meeting of the board this year as they have worked through numerous issues and the board is very happy with the results. We hope that the town agrees when it is fully presented at Town Meeting. The second major item was the development of a site plan for a summer camp in town. Many of the town's older businesses have never gone through the Site Plan Review process and it was a learning experience for both the board and the landowner.

Going through the review process brought to light some issues with our Site Plan Review regulations that we had not considered before. They had not been updated in quite some time. Vickie Davis of UVLSRPC worked hard to get these regulations to concur with both our Zoning Ordinance and with our updated Subdivision Regulations.

There are eight amendments to our Zoning Ordinance on the warrant this year. Several are some that are needed to clean up our ordinance to allow it to comply with either State Law or to define terms that were never defined before. There are three that are substantive. The inclusion of driveway regulations will assist the Road Agent with the permitting process and it is designed to make accessing town roads safer. There are also noise and lighting amendments that address these concerns.

I would like to thank Andy D'Amico who is retiring from the Planning Board this year to devote time to other interests and I would like to welcome Deborah McGlew who is now keeping our minutes and otherwise making sure that we keep on task.

Respectfully submitted,
Kevin R. Lee, Chairman
Springfield Planning Board

PATRIOTIC SERVICES

A huge thank you to the Springfield Veterans and the Veterans from our neighboring towns, New London Post 40, Unit 40, and Squadron 40 of the American Legion for their support of all events.

The Veteran's supper will continue. Flags will continue to be put out on Main Street on Holidays.

I continue to go to the schools to give classes on flag etiquette, fire arms safety, and fire safety. I want to thank Jeremiah Charles for conducting the Kindergarten's Fire Safety class this year.

Once I again, I ask you to keep our troops in your thoughts and prayers, and the fire and police personnel as well.

Respectfully Submitted,
Frank Anderson

SPRINGFIELD POLICE DEPARTMENT 2009

"Absence of crime alone will prove police success" -Tamil Nadu

Through the direction of the Office of the Selectmen, we were able to convince the State Highway Department of the need for an additional stop sign at the intersection of Four Corners Road and Bowman Road. This has greatly reduced the number of near misses so often observed at this once hazardous interchange.

The new police cruiser, an all-wheel drive Ford Taurus, is performing beyond our expectations. This car was purchased to replace the Ford Explorer and has already proven to be more fuel efficient than the four-wheel drive SUV.

The Board of Selectmen approved a grant from New Hampshire Traffic Safety for the purchase of in-car video cameras. Digital-Ally, a safety-oriented company, was able to quote the same price for our small community that is normally reserved for municipalities that buy in bulk. The savings, coupled with the 50% grant, brought these cameras within our budget. In-car video cameras will not only aid in prosecution but by constant recording, will help relieve the Town of the threat of civil lawsuits.

For your safety in emergency situations (police, fire, ambulance) you are required to have your house number displayed where it can easily be seen from the roadway. House numbers are to be "of a contrasting color to the building" and if "not visible from the street, then a second set of numbers shall be displayed at the point of entry to the property" (mailboxes, sign posts, etc.).

Please report all suspicious persons or vehicles. Many crimes have been thwarted by timely reporting of events that appear out of the ordinary. **For emergencies, dial 9-1-1.** For all other police business, dial 763-3100.

Respectfully Submitted,
Timothy T. Julian

RECREATION COMMITTEE

The Recreation Committee would like to thank all those that helped make our events possible this past year, including our 1st Annual Old Home Day, which was a huge success due to the numerous volunteers and the donations from residents of Springfield and surrounding businesses. We look forward to another successful year of fun community events in Springfield!

In addition to Old Home Day, activities in 2009 included a Spaghetti Dinner, Square Dance, Halloween Party, Movies, and Holiday Craft and Bake Sale.

The Committee plans to add a few more events for 2010 such as movie nights for the kids in town, 3 Square Dances, in addition to adding events to our Old Home Day celebration, expanding the Easter egg hunt to include other fun games for the kids, and a Memorial Day Barbecue and pick-up Softball Game.

We look forward to seeing you at the 2nd Annual Old Home Day Celebration, Saturday, July 10, 2010.

More volunteers are always welcome! For more information on meetings and events, e-mail me at bsar@myfairpoint.net

Respectfully Submitted,
Sara Ellis- Recreation Chair

**REPORT TO THE PEOPLE OF DISTRICT ONE
BY: EXECUTIVE COUNCILOR RAY BURTON**

2009 was indeed the year of American Recovery and Reinvestment Act (ARRA)/ Stimulus Funds in New Hampshire!

As of November 4, 2009, \$579,305,870.00 had been allocated in New Hampshire in nine areas: business/community; education; employment; energy; health; housing; safety; technology and transportation. Of that \$181,463,876.00 went to Council District One towns and cities and the counties of Belknap, Carroll, Coos, Grafton and Sullivan.

The ARRA money has enabled local, state and county government to work on projects that have been in process and planning for years. For a complete listing of these projects go to: www.ed.state.nh.us/education/recovery'/index.htm or write to my office.

Governor Lynch has now submitted the New Hampshire Transportation Plan to the New Hampshire House and Senate. Highways/bridges, rail, aviation and public projects are among the proposed recommendations. Contact your local State Senator and Legislator for details about what projects you believe to be key ones for your region.

As Councilor, I do not see new revenues being raised in New Hampshire State Government. With the decline in existing revenues leading to cut backs in services, only time will determine what the law making branch has in mind for new dollars. Keep in close touch with your local State Senator and Legislator to make sure costs are NOT passed on to county and local government.

The Governor and Council are required by law to fill dozens of boards and commissions with volunteers. If you are interested in serving, please send a letter of interest and your resume to Governor John Lynch, Attention: Jennifer Kuzma, Appointment Liaison, State House, 107 North Main Street, Concord, NH 03301 For the current list of what possible appointments might be coming up go to: <http://www.sos.nh.gov/redbook/index.htm>.

There is a constant flow of informational items available at my office: tourist maps, consumer handbooks and the New Hampshire Constitution. Each Monday I send, via e-mail, the schedule of my weekly meetings and other information. Send me your e-mail to be added to the list at rburton@nh.gov or find the schedule on my State House web page at: <http://www.nh.gov/council/districtl/schedules>.

Contact my office anytime I can be of help.

SUNAPEE AREA WATERSHED COALITION (SAWC)

SAWC was organized in January 2005, to protect water quality, to raise community awareness of important issues concerning the Lake Sunapee watershed and surrounding areas, to formulate clear guidelines for responsible long-term stewardship of the water resources, and to promote cooperation among the watershed towns in using the guidelines for the implementation of programs effective in addressing the salient issues to the common benefit of the area communities. (Newbury, New London, Springfield, Sunapee and Sutton)

In 2009, SAWC continued to meet and discuss the recommendations listed in the 2008 Watershed Plan for the area. (Copies are available on line at www.sunapeewatershed.org or at the town library). The priorities for focus continue to be stormwater runoff and septic systems, particularly older ones and the maintenance thereof.

In May, 2009, a workshop was held for the town boards and the public at which several speakers gave presentations on Work Force Housing- about the law's purpose and the nexus of workforce housing and land use and conservation, and how it affects land use and municipalities. Representatives from the NH Housing Authority, Upper Valley Regional Planning Commission, and the Upper Valley Housing Coalition presented and were available for questions.

SAWC also supported the 2009 Lakes Congress, which was held locally in June, 2009 at Colby Sawyer College and a presentation was given on the Sunapee Watershed Plan at that event.

In 2009, the NOAA Grant was awarded to assess the stormwater infrastructure and SAWC has been active in assisting in that program, and will continue to lend a hand in this effort in 2010.

Town Representative
Ken Lawson

SUNAPEE-RAGGED-KEARSARGE GREENWAY COALITION (SRKGC)

The Sunapee-Ragged-Kearsarge Greenway Coalition was founded in 1993 as a non-profit, all volunteer organization with the mission of promoting hiking and land conservation. A 75-mile loop "green necklace" hiking trail crossing over the major peaks of Mt. Sunapee, Ragged Mountain and Mount Kearsarge, the SRK Greenway was built on the core building blocks of trails in four State parks, three State forests and Class 6 roads passing through 10 towns in our region.

In Springfield, the SRK Greenway trail travels from the Sunapee Town Line near Ledge Pond, continues along Hogg Hill Road and Stoney Brook Road, ventures easterly on Deer Hill Road and through the Star Lake Farm forests, and across Route 114 on the Protectworth Trail to New London. While much of the trail is on Class 6 roads, the section from Route 114 to New London is a beautiful foot trail through the forest over Royal Arch Hill with dramatic views of Lake Sunapee and Mount Sunapee.

With over 200 members, the SRK Greenway is a community-based organization governed by an active Board of Directors which oversees trail maintenance work, a newsletter, a website (www.srkg.com), a Trail Guide book, a 3-season hike schedule, and an annual meeting with guest speaker and pot luck supper in March of each year.

Michel Chiarella and Susan Chiarella are the Springfield Directors on the SRK Greenway Board. Susan Chiarella also serves as the Secretary of the SRKG.

To further the knowledge and understanding of hiking trails as important features of the region's recreational and health benefits and its tourism economy, SRK Greenway representatives meet with town boards and Conservation Commissions, work with Ausbon Sargent Land Preservation Trust (ASLPT) and the Society for the Protection of New Hampshire Forests (SPNHF), and make presentations to the NH State Parks System Advisory Commission, the Mount Sunapee Advisory Committee, and the Statewide Trails Advisory Committee.

Organized fall and summer hikes and winter snowshoes are conducted on various portions of the Springfield trail system. This January a group of some thirty snowshoe enthusiasts of all ages joined the Chiarellas for an afternoon trip on the trail in the western part of Springfield, ending the day at Snowbound Farm on Nichols Hill Road for hot chocolate and cookies. Cynthia Bruss of Springfield led 18 hikers in a Geocaching adventure from Webster Pass to Dutchman Pond. Hikes and snowshoes are open to people of all ages and are generally advertised in local publications, such as the Valley News, The Concord Monitor and the Kearsarge Shopper.

Memberships are open to all with annual dues as low as \$10.00 per year. Please visit the SRKG website at <http://www.srkg.com> for additional information, or feel free to contact your local directors at 763-5879.

**UPPER VALLEY LAKE SUNAPEE REGIONAL PLANNING COMMISSION
(COMMISSION) FY 09 ANNUAL REPORT**

The Commission is one of nine regional planning commissions in New Hampshire created to coordinate all aspects of planning, act as a liaison between local and state/federal agencies and provide advisory technical assistance on land use issues. We serve 27 communities from Piermont to Charleston along the Connecticut River and from Wilmot to Washington to the east.

Over the past year the Commission has expended a significant amount of energy increasing visibility, public relations and identifying the needs of the communities, ultimately aimed at building stability and capacity in order to better address land use issues that are important to the long-term sustainability of the communities within the region.

Revenue for the Commission was \$721,630.58 for FY09. A large percentage of this funding comes from the Unified Planning Work Program utilizing Federal Highway Administration funding through the NH Department of Transportation. Other state and federal funding sources include the NH Department of Environmental Services, the NH Department of Safety - Homeland Security and Emergency Management, and the Office of Energy and Planning. Member communities and counties provide membership dues. In FY2009 this allowed the Commission to leverage approximately \$350,000 in state and federal funds, and provided with the Commission with just over 15% of its revenue.

The Commission consists of representatives appointed by the leadership of each member municipality or county. These Commissioners represent your community's interests in the work the Commission does. The Commission had ten new Commissioners appointed by various municipalities and counties expanding resources and expertise within its leadership and demonstrating considerable renewed interest in regional collaboration. Additionally, Grafton County became a member of the Commission this year.

Some of this year's highlights include initiating Grafton County Coordination Summit which led to Regional Coordinating Councils for transit in Grafton modeled after the Sullivan County RCC which

the Commission has shepherded for 3 years. We also developed a program for solid waste transportation management planning assistance for Sullivan County through USDA Solid Waste funding. In addition we secured funding and have begun work on developing a site for an Intermodal facility within the Upper Valley and completed four Natural Resource Inventories, three Master Plan sections and numerous reviews of zoning ordinances and local land use policies.

The Commission provides a significant amount of hours of technical assistance to communities that inquire about specific local issues, data requests or needed resources. The communities of Claremont, Charlestown, Dorchester, Enfield, Goshen, Hanover, Lempster, Lyme, Orford, Plainfield, New London, Springfield, Sunapee, Washington and Wilmot all took advantage of these services this past year. The Commission was engaged in over 45 projects within the region this year and has increased its capacity to serve the communities of the region.

We have already begun work on many new initiatives in the region and thank you for your continued support.

Commissioner serving your community during July 2008 – June 2009
Kevin Lee

Respectfully submitted,
Christine Walker
Executive Director

THE ZONING BOARD OF ADJUSTMENT

The Zoning Board had a relatively quiet year in 2009 with three applications dealing with special exceptions, one for a variance and one appeal of an administrative decision. Each case seems to bring with it a variety of issues and calls for the Board to make sure its decisions are based on the Springfield Zoning Ordinance and case law. We are fortunate to have the Local Government Center provide regular law lectures which offer updates on interpretation of the criteria we must follow to make a decision.

The Board was able to complete and adopt a final version of our Rules of Procedure, new application forms and fee schedule as well as an instructional guide for applicants. These are to help citizens through the appeal process since most people are new to the experience and would like to know the expectations going into it.

We would like to thank Linda Huntoon for doing an excellent job of record keeping for the Board and are sorry she was unable to continue. We welcome Deb McGlew as our new recording secretary and are impressed with her experience and expertise.

We are presently looking for citizens to serve as alternate members, an excellent way for those who may want to serve to become more familiar with the responsibilities of the Board. Those who have an interest are encouraged to attend our meetings and see if you would like to become involved.

Members: Barbara Dunlap, Cynthia Hayes, Gene Hayes, Kathy Richardson, Bill Sullivan, Kevin Waite

Respectfully Submitted,
Cynthia Hayes, Chairman

SUMMARY OF TOWN MEETING WARRANT 2009

TOWN WARRANT – 2009 TOWN OF SPRINGFIELD, NEW HAMPSHIRE

TOWN MEETING TUESDAY, MARCH 10, 2009 & SATURDAY MARCH 14, 2009

Tuesday, March 10, 2009 the polls will be open
from 11 a.m. to 7 p.m.

Article 1

To choose all necessary Town Officials for the year ensuing.

NOTE: By law, the meeting must open before voting starts. Therefore, the meeting and polls will open at 11 o'clock on Tuesday, March 10, 2009 for the consideration of Articles 1 through 4. At 12 noon the meeting will recess, but the polls will remain open until 7:00 p.m. The meeting will reconvene at the Town Hall on Saturday, March 14, 2009, at 9:30 a.m. to act on Articles 5 through 11.

Article 2

Amendment No. 1

Are you in favor of the adoption of Amendment No.1 as proposed by the Planning Board for the Springfield Zoning Ordinance as follows?

Amendment No. 1 proposes to amend the Forest Conservation District on the zoning district map to exclude private properties south of Route 4A and within 1500' north of Route 4A. Zoning district map will become Appendix A.

Yes or No – Paper Ballot – Majority Vote

Yes: 115, No: 90 This article passed by Majority vote.

Article 3

Amendment No. 2

Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Springfield Zoning Ordinance as follows?

Amendment No. 2 proposes to adopt the State's model flood management ordinance to allow the Town to participate in the federal flood insurance program. Reference is made to the Federal Emergency Management Agency maps of the 100 year flood zones. This ordinance is considered part of the zoning ordinance though it is provided as a separate document. Measurement of substantial improvement or damage in ordinance definitions will be within one year (variation from State model which does not provide a time frame).

Yes or No – Paper Ballot – Majority Vote

Yes: 157, No: 49 This article passed by Majority vote.

Article 4

Amendment No 3

Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Springfield Zoning Ordinance as follows?

Amendment No. 3. Proposes to amend the Forest Conservation Zoning District requirements to allow "Lot Size Averaging Option" under new section 3.23 B. and Appendix B to allow greater flexibility in subdividing maximum allowable number of lots with possible bonus lots while allowing greater area for open space.

Yes or No – Paper Ballot – Majority Vote

Yes: 117, No: 89 This article passed by Majority vote.

Article 5

To see if the Town will vote to authorize the Board of Selectmen to enter into a long-term lease agreement with the Kearsarge Regional School District (KRSD) for the Springfield Kindergarten Classroom, for a period of up to five (5) years, pursuant to RSA 41:11-a. Said agreement to begin with the school year 2010-2011.

Yes or No – Majority Vote

Motion: Alice Nulsen

Second: Gerald Cooper

Voice vote taken. This article passed unanimously.

Article 6

To see if the Town will vote to authorize the Board of Selectmen to enter into a inter-municipal agreement by and among the towns of Orford, Lyme, Hanover, Enfield, Springfield, Newbury, New London, and Sunapee to create a non-profit corporation to develop a broadband communications network, in accordance with RSA 53-A.

Yes or No – Majority Vote

Motion: Kenneth Jacques

Second: Gerald Cooper

Voice vote taken. This article passed unanimously.

Article 7

To see if the Town will vote to change the amount of revenues received from police special details being placed in the revolving fund created in 2006 pursuant to RSA 31:95-h, from 90% to 85%, to account for the increase in associated payroll and benefits costs.

Yes or No – Majority Vote

Motion: Gerald Cooper

Second: Janet Roberts

This article passed by majority vote.

Article 8

To see if the Town will vote to authorize the selectmen to enter into a three-year lease agreement for Twenty Six Thousand, Nine Hundred Dollars (\$ 26, 900) for the purpose of leasing a police cruiser for the Police Department, and to raise and appropriate the sum of Nine Thousand, Six Hundred Fifty Three Dollars (\$ 9,653) for the first year's payment for that purpose. This lease agreement contains an escape clause.

The Selectmen and Budget Committee recommend this appropriation

Yes or No - Majority Vote

Motion: Bernard Manning

Second: Kenneth Jacques

Voice vote taken. This article passed by majority vote.

Article 9

By Petition:

Shall the town vote to adopt the provisions of RSA 36-A:4-a,I(b) to authorize the conservation commission to expend funds for contributions to ‘qualified organizations’ for the purchase of property interests, or facilitating transactions related thereto, where the property interest is to be held by the qualified organization and the town will retain no interest in the property.”

Yes or No – Majority Vote

Motion: Gerald Cooper

Second: Robert Ruel

Voice vote taken with results uncertain.

Hand vote taken: Yes: 47, No: 17. This article passed by majority vote.

Article 10

To see if the Town will vote to raise and appropriate the sum of One Million One Hundred Forty Nine Thousand, One Hundred Thirty Two Dollars (\$1,149,132.00) or as amended, for general municipal operations of the Town. This article does not include special or individual articles addressed.

Yes or No – Majority Vote

Motion: Frank Anderson

Second: Gerald Cooper

Voice vote taken. This article passed unanimously.

Article 11

To hear the reports of agents, auditors, and committees heretofore chosen, to pass any vote relating thereto, and to transact any other business that may legally come before said meeting.

Yes or No – Majority Vote

Motion: Gerald Cooper

Second: Kenneth Jacques

No reports were given. Voice vote taken. This article passed unanimously.

Motion to adjourn: Jeffrey Milne

Second: Gerald Cooper

Meeting adjourned at 10:20 AM by Moderator Richard Kipperman.

Given under our hands and seal this Tenth day of March, in the Year
of Our Lord, Two Thousand and Nine.

Neal B. Huntoon, Chairman
John J. Chiarella, Vice-Chairman
Donald W. Hill, II
Springfield Board of Selectmen

A True Copy of Warrant – Attest:

Neal B. Huntoon, Chairman
John J. Chiarella, Vice Chairman
Donald W. Hill, II

Respectfully submitted,
Cynthia C Anderson, Town Clerk
